## NOW ACCEPTING CREDIT CARDS

Effective December 1st, the Port of Edmonds is rolling out a new payment option. Moorage and Dry Storage tenants may now use their credit card or e-check to pay their monthly statements without incurring a fee. Payment may be made online via the Port of Edmonds website or in person at the Port of Edmonds Marina Operations or Administration offices.

To pay online, please go to the Port's website and click on "Make A Payment" in the upper right-hand corner, then click on "Credit Card Payment Option" and the link to our payment processor's website will appear.

Alternatively, you may go directly to <https://heartlandpaymentservices.net/PaymentPortal/PortOfEdmonds/Bills>. You will need to know your account number, which is the four or five digit number that appears on your statement approximately 1/3 of the way down the page on the left hand side. You will also need to know the amount you want to pay. On the second page, for security purposes, you will need to enter your credit card billing address

You may also visit the Marina Operations or Administration offices and make payment in person. Please note that we are unable to take credit card payments over the phone.

If you prefer to pay directly from your checking account, but you do not want to write a check, you can use the E-check/ACH payment option. Please follow the same steps as noted above, but select "Pay with E-Check" after you have entered your account number and payment amount.

## HOLIDAY ON THE DOCKS
