WINTER LOCK UP REMINDER

As a component of your winter prep work, we urge boaters to lock all gear in a safe and secure place. Please store your rods, reels, coolers, and other removable gear in locked compartments or take them home for the remainder of the off-season.

2021 RATE CHANGE

2021 Moorage & Dry Storage Rates

New rates will go into effect January 1, 2021 and can be found on the Port's website: www.portofedmonds.org

Tenant Security Deposits

Deposits will be adjusted to match new 2021 base rates. This adjustment will appear on your January statement as line item Deposit-Charge-SECURITY DEPOSIT.

Other Charges

Some operational rates such as Travelift, boatyard, and launch rates will also be increasing. See website for details.

EXTINGUISHER CHECK

A friendly reminder that the Coast Guard requires boats to have at least one B-1 marine fire extinguisher on board at all times. Boats less than 26' must have one B-1 fire extinguisher, while larger boats in the 26'-40' range need to have at least two B-1 fire extinguishers. Ask our staff if you are unsure about safety requirements for your vessel.

GATE SECURITY

Please help keep our facility safe! As always, our daily staff and security team closely monitor activity, but assistance from our boaters can be a huge help! These simple precautions can make a big difference:

- Ensure the gate closes securely behind you
- Do not permit entrance to the docks unless you know the person.
- See something? Report it!

2021 SAFETY SEMINARS

The Edmonds Yacht Club will be kicking off the return of their Safe Boating Seminar series on January 13th at 7pm. The topic will be boating safety. Co-sponsored by the Port of Edmonds, Edmonds Yacht Club, and Coast Guard Auxiliary, these online seminars cover a range of topics for novice and expert boaters alike. The second seminar of 2021 covers weather and will take place on February 10th. Boating apps will be the topic for the March 10th seminar. More details to come. We hope you will join us!

2021 PARKING PERMITS

With the end of the year approaching its time to secure your new 2021 parking permits. Starting December 14th, permits will be available for pick up at the Marina Operations service window. Tenants are allotted two parking permits per slip. You can purchase a third permit for \$50.00 + tax. You must meet the following requirements to receive your new permits:

- 1.) You must have current insurance on file with us that meets our requirements in full – meaning \$500,000 of watercraft liability as well as a minimum of \$500,000 pollution or fuel spill liability included. If pollution or fuel spill liability is not specifically outlined on your declarations page you must provide supplemental documentation outlining this coverage.
- 2.) You must have current WA State registration or Coast Guard Documentation on file with us.

If you have any questions regarding registration or insurance requirements, please contact Carl Orsi at (425) 673-2014 or corsi@portofedmonds.org.

For vendors, the first permit is free, and the second permit is \$10+ tax. Please email info@portofedmonds.org to arrange pick up of 2021 parking permits.
