FREEDOM BOAT CLUB COMES TO PORT OF EDMONDS

We are excited to welcome Freedom Boat Club to the Port of Edmonds! Freedom Boat Club is the largest members-only boat club in the world with three clubs in the Seattle area, nine clubs in the Pacific Northwest, and 175+ clubs around the world. Members have unlimited access to a fleet of boats at each location and on-site Freedom Boat Club staff handle all aspects of service, training and maintenance.

Freedom Boat Club Edmonds will have an office in the Edmonds Yacht Club building directly overlooking the marina. Daily operations begin this May. For more information please visit their website: https://freedomboatclub.com/locations/253-edmonds-wa/.

FREE VESSEL SAFETY INSPECTIONS

A vessel safety check (VSC) is a free, 15-point inspection performed by a U.S. Coast Guard-approved vessel examiner. This voluntary inspection takes about 25 minutes and is designed to ensure that your boat has the appropriate safety equipment on board and it's in proper working order. US Coast Guard Auxiliary personnel will be available in front of the Marina Operations office from 10:00 am through 2:00 pm on the second Saturday of each month, March through October. If these dates are not convenient, you may also contact Jim Maddox at 425.327.1710 to inquire about weekday inspections at the Port.

STAFF SPOTLIGHT

On March 1st we will say goodbye to the Port's most veteran employee. Riki Vesojia started with the Port in 1970 as part of our maintenance department. Riki retired in 1998 but just couldn't stay away. He came back later that year to work part-time in security, a position he has held ever since. Riki is known for being a true renaissance man. Want to know just about anything about just about anything? Ask Riki! Work doesn't stop for Riki in retirement--tending to his orchard and peacocks will surely keep him busy.

Thank you for 49 years of service to the Port Riki!
