

2017 NOTICES AND CHANGES

Moorage and Dry Storage Rates

New rates are effective January 1, 2017. The Commission approved increase of 2.8% (CPI + 1%) is reflected on your January statement. The 2017 moorage and dry storage rate schedules are available on our website, portofedmonds.org/marina/rates/, and in all Port offices.

Tenant Security Deposits

Security deposits have been adjusted to match the new 2017 rates and appear on your January statement as Deposit-Charge-SECURITY DEPOSIT.

Tenant Parking Permits

It's the New Year which means new parking permits for the 2017 year! A couple of things to keep in mind before you are able to pick up your new permits:

1.) You must have current insurance on file with us that meets our requirements in full – meaning \$500,000 of watercraft liability as well as a minimum of \$500,000 pollution or fuel spill liability included. If Pollution or fuel spill liability is not specifically outlined on your declarations page you must provide supplemental documentation outlining this coverage.

2.) You must have current WA State registration or Coast Guard Documentation on file with us. If the boat is Federally Registered with the Coast Guard you must provide us with current Coast Guard documentation, simply a copy of your WA state Registration would not suffice for these customers.

3.) Your account balance must be current. As long as the Port has all that documentation on file & your account is up to date you would be able to pick up new parking permits for the 2017 year.

Any questions feel free to contact our Moorage Coordinator Kelby Brown at (425) 673-2014 or via email at kbrown@portofedmonds.org.

BUD'S BAIT CLOSING

Bud's bait has been operating at the Port of Edmonds for many years, but the owner, Bud Christensen, is retiring, and the business will end operations on January 16th, 2017. The Port appreciates Bud's long term tenancy. We recognize the many relationships Bud has developed with Port staff, customers, and all the visitors to the Port of Edmonds Marina. Best wishes for a treasured presence on the waterfront for over 53 years!!
