2018 SEATTLE BOAT SHOW

The countdown is on! Join us at the Seattle International Boat Show happening January 26 - February 3, 2018. We have some great prizes to give away so be sure to stop by and visit the Port of Edmonds booth to enter our drawing. We will be in the same location as last year: EAST 726. For tickets and seminar information, visit: www.seattleboatshow.com.

THREE COMMISSIONERS SWORN IN

In a special Commission meeting held December 27th, Port of Edmonds Attorney Brad Cattle administered the Oath of Office to newly-elected Commissioner Angela Harris, and re-elected Commissioners Bruce Faires and Steve Johnston.

The Port of Edmonds staff and existing Commissioners are excited to have all three commissioners onboard and greatly look forward to working with them.

DRY STORAGE CHANGES

To alleviate congestion at dry storage during peak hours we are implementing the following changes to our dry storage operations:

A-dock will be reserved for “pre-launch”. If you are planning on going out before dry storage opens, you can call the day before and ask that we put your boat in the water for “next day use.” Your boat must leave the dock before dry storage opens.

B-dock will be the return area. No overnight moorage for any boats returning during business hours on this dock. Boats returning to B-dock during business hours will be removed from the water.

Overnight Moorage Guidelines: One night per week (Monday-Sunday) is complimentary.

Wash Down Area: During peak times there will be an enforced time limit of 45 minutes.

We trust that these changes will serve you well as we strive to deliver quality, service, value and convenience to every customer. Further details can be found on our website. Please feel free to contact Port staff with any questions.

WE’RE ROLLING BACK OUR TRAVELIFT PRICES!

We’ve headed back to the year of 2008 for our Travelift prices. Come by now through the month of February 2018 to take advantage of the savings. Discounted pricing pertains to round trip haul outs, sling time with wash, and sling time without wash.

For tickets and seminar information, visit: www.seattleboatshow.com.

Deputy Director Marla Kempf and Moorage Coordinator Kelby Brown prep the Port of Edmonds backdrop for the upcoming Seattle Boat Show happening at CenturyLink Field Event Center.

NOW ACCEPTING CREDIT CARDS
On December 1, 2017, the Port of Edmonds rolled out a new payment option. Moorage and Dry Storage tenants may now use their credit card or e-check to pay their monthly statements without incurring a fee. Payment may be made online via the Port of Edmonds website or in person at the Port of Edmonds Marina Operations or Administration offices.

To pay online, please go to the Port’s website and click on “Make A Payment” in the upper right-hand corner, then click on “Credit Card Payment Option” and the link to our payment processor’s website will appear.

Alternatively, you may go directly to https://heartlandpaymentservices.net/PaymentPortal/PortOfEdmonds/Bills. You will need to know your account number, which is the four or five digit number that appears on your statement approximately 1/3 of the way down the page on the left hand side. You will also need to know the amount you want to pay. On the second page, for security purposes, you will need to enter your credit card billing address.

You may also visit the Marina Operations or Administration offices and make payment in person. Please note that we are unable to take credit card payments over the phone.

If you prefer to pay directly from your checking account, but you do not want to write a check, you can use the E-check/ACH payment option. Please follow the same steps noted above, but select “Pay with E-Check” after you have entered your account number and payment amount.

2018 PARKING PERMITS
With the new year upon us, it is now time to secure your 2018 permits. Parking permits are available for pick up in the Marina Operations office during business hours.

You must meet the following requirements to receive your new permits:

1.) You must have current insurance on file with us that meets our requirements in full – meaning $500,000 of watercraft liability as well as a minimum of $500,000 pollution or fuel spill liability included. If Pollution or fuel spill liability is not specifically outlined on your declarations page you must provide supplemental documentation outlining this coverage.

2.) You must have current WA State registration or Coast Guard Documentation on file with us. If your boat is Federally Registered with the Coast Guard, you must provide us with current Coast Guard documentation.

Please contact our Moorage Coordinator Kelby Brown at (425) 673-2014 with any questions.
