PARKING PERMITS

2020 Tenant Parking permits are now available for pick up in the Marina Operations Office. Please note that Tenant Parking permits are for marina-related use only. No commuter parking is allowed in marina lots. Due to a high demand for parking, the Port will only issue a maximum of three parking permits per tenant slip in 2020. You must meet the following requirements to receive your new permits:

- 1.) Have current insurance on file with us that meets our requirements in full – meaning \$500,000 of watercraft liability as well as a minimum of \$500,000 pollution or fuel spill liability included. If pollution or fuel spill liability is not specifically outlined on your declarations page you must provide supplemental documentation outlining this coverage.
- 2.) Have a current WA State registration or Coast Guard Documentation on file with us.

If you have any questions regarding registration or insurance requirements please contact Carl Orsi at (425) 673-2014 or corsi@portofedmonds.org.
