APRIL BOATING SEMINAR: COMMUNICATION

The Edmonds Yacht Club, in partnership with the Port of Edmonds and Coast Guard Auxiliary, is offering another FREE boating seminar on **April 7th from 9:00am to 12:00pm** at the Edmonds Yacht Club. Taught by Coast Guard Auxiliary instructors, this seminar is a must for anyone who wants more about safe boating.

The topics include: **Navigation**.
 Discussion of the radio, border crossing, and the importance of charts. Bring your own experiences, first mate, crew, and boating gear. **RSVP is required.** Please email safeboating@portofedmonds.org with any questions.

PARKING AT THE PORT

The Port is a vibrant place where a variety of uses are accommodated daily. The parking areas throughout the marina are allocated in a way that has served everyone well for many years. In the past, only a handful of days during the year presented parking challenges. But in recent years we have experienced an increasing demand. So, the Port is adapting its procedures to ensure that parking demands can be met throughout the year.

2020 tenant parking permits are available for pick up in the Marina Operations office. Please note: **tenant parking permits are for marina-related use only.** No commuter parking is allowed in marina lots. Additionally, the Port will only issue a maximum of three parking permits per tenant slip in 2020. Permit prices are as follows:

- 1st Permit = Complimentary
- 2nd Permit = \$10 plus tax
- 3rd Permit = \$50 plus tax

It is very important to display your parking permit at all times when parking on Port property. Port Security will be reducing the number of preliminary notices given to violators to ensure all facility users have enough parking available.

Curious where to park?

- White Stripes = Visitor Parking
- Yellow Stripes = Tenant Parking
- Green Stripes = Vehicle with Trailer Parking but can also be used for vehicle-only parking after 5:00pm daily.

If you are interested in obtaining commuter parking, we do have 26 designated spots available for monthly rental. Contact Port Administration at 425-774-0549 for more information or to get on the waitlist.
